HERE

FOR ALMOST 25 YEARS, HERE has been home to New York City's most imaginative live performance experiences, producing work that is affordable, challenging and alternative. From our home in Lower Manhattan, we give audiences the chance to be part of something new and fresh. Our artists work across disciplines, disrupting conventional expectations as they cast new molds of collaborative works. This eclecticism makes HERE undefinable at its core, and entirely unforgettable.

FRESH · ADVENTUROUS · UNEXPECTED
